Solution

Follow the moves below to unravel the solution to solitaire. Number the board as follows;

15>17,28>16,21>23,24>22,7>21,21>23,26>24,
33>25,18>30,31>33,33>25,6>18,13>11,10>12,
27>13,13>11,8>10,1>9,16>4,3>1,1>9,18>16,16>4,
4>6,6>18,18>30,29>17,10>24,23>25,30>18,19>17

Set up: Use only nine marbles as shown in diagram.
Object: Remove eight of the nine marbles leaving only one in the center hole.
Devise your own versions of solitaire by setting up patterns and jumping the marbles until only one remains in the center hole.

The Cross

Set up: A marble is placed in every hole except for the center hole.
Object: To remove all marbles from board except for last marble which should end up in the center hole.
Moves: By jumping backwards, towards, or sideways, but not diagonally. The jumped marble is removed from play and put in the outside ring.
